LIMITED WARRANTY

The manufacturer's warranty to the original consumer purchaser is: This product is free from defects in materials and workmanship for a period of one (1) year from the date of purchase by the original consumer purchaser. We will repair or replace, at our discretion, parts found to be defective due to materials or workmanship. This warranty is subject to the following limitations and exclusions:

- 1) Commercial Use warranty period for any product used for commercial or rental is limited to ninety (90) days from date of original purchase.
- 2) Limitations This warranty applies only to products which have been properly assembled, adjusted, and operated in accordance with the instructions contained within this manual. This warranty does not apply to any product of Swisher Mower and Machine Co., Inc., that has been subject to alteration, misuse, abuse, improper assembly or installation, or shipping damage.
- 3) Exclusions Excluded from this warranty are normal wear, normal adjustments, and normal maintenance.

In the event you have a claim under this warranty, you must return the product to an authorized service dealer. All transportation charges, damage, or loss incurred during transportation of parts submitted for replacement or repair under this warranty shall be borne by the purchaser. Should you have any questions concerning this warranty, please contact us toll-free at 1-800-222-8183. The model number, serial number, date of purchase, and the name of the authorized Swisher dealer from whom you purchased the mower will be needed before any warranty claim can be processed.

THIS WARRANTY DOES NOT APPLY TO ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES AND ANY IMPLIED WARRANTIES ARE LIMITED TO THE SAME TIME PERIODS STATED HEREIN FOR ALL EXPRESSED WARRANTIES. Some states do not allow the limitation of consequential damages or limitations on how long an implied warranty may last, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights, which vary from state-to-state. This is a limited warranty as defined by the Magnuson-Moss Act of 1975.

This Safety Alert Symbol indicates important messages in this manual. When you see this symbol, carefully read the message that follows and be alert to the possibility of personal injury

- Keep the operating speed **LOW !!** Do not operate over 5 MPH (8 KPH)
- Be sure that the area is clear before operating. Children are often attracted to the machine and operating activity. **Never assume that children will remain where you last saw them.** Keep children under the watchful care of another responsible adult.

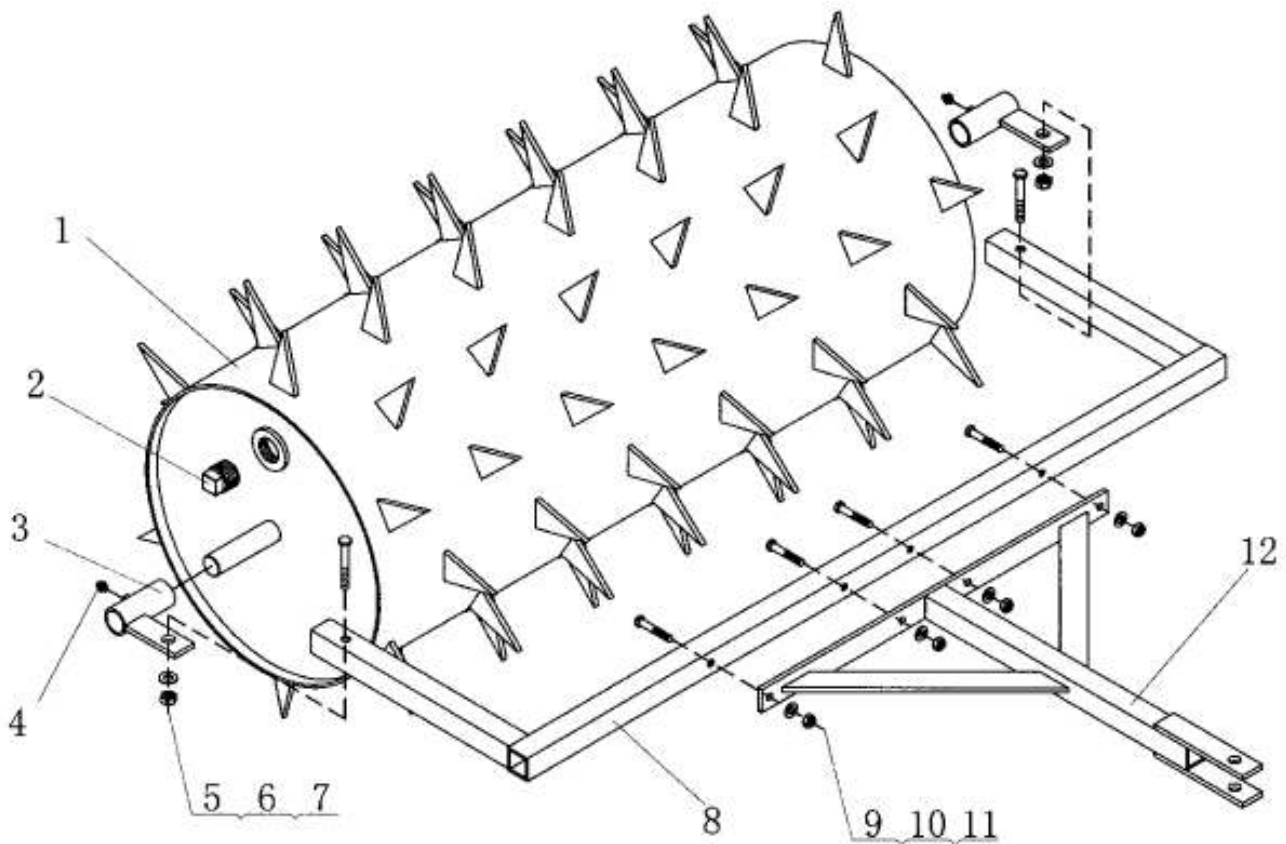

- Read this manual and learn to operate this equipment safely
- Stop and inspect the equipment if you strike and object. Repair if necessary, before restarting
- Dress properly. Do not operate when bare foot or wearing open sandals
- Do not operate while under the influence of alcohol or drugs
- Operate attachments up and down slopes. There is a significant risk of overturns when operating across slopes
- Oil or Grease moving parts as required.

Assembly Instructions

1. Locate and layout all parts as shown below. Use caution as the points are sharp.
2. Place U style Hitch Bracket around Drum Body , Slip Joint Bushing Weldment over axle and install hardware as indicated
3. Place "T" style hitch against "U" Hitch and install hardware indicated. Tighten all hardware securely. Check all hardware periodically to assure tightness.
4. Fill Drum with water to achieve desired weight. Install Plug.
5. Grease or Oil bushings as needed.

Maintenance Instructions

1. Lubricate Bushings as needed.
2. Drain water completely from drum before winter storage.
3. Check hardware for tightness before each use.
